

THE MODERN HOUSE

New Malden, Surrey
Sold

Barnfield

A wonderful example of a Modern home located close to London with well-maintained original features. Built by Wates in 1934, this spacious house boasts three bedrooms, two large reception rooms, a garden and a roof terrace.

Barnfield is a residential road in New Malden renowned for its 1930s architecture. No. 4 Barnfield is one of a number of semi-detached Wates houses in the area, however it is arguably the most desirable among them due to its complete set of Crittall windows (new ones were recently fitted to replace the original Crittall windows), sensitively-designed rear extension, landscaped garden and intact interior features. The current owner has maintained the house in Art Deco style throughout.
