

THE MODERN HOUSE

Tufnell Park, London N19
Sold

Fulbrook Mews

Favourably located close to Tufnell Park Underground station, this exceptional mews house is arranged over three floors. It is immaculately presented throughout.

Accommodation measures approximately 842 sq ft (78.2 sq m) and features an open-plan kitchen and reception room plus a cloakroom on the ground floor, a double bedroom and bathroom on the first floor, and a second double bedroom with a roof terrace (71 sq ft / 6.6 sq m) on the second floor.

The house forms part of a row of five designed in 2003 by Spencer Martin Associates. The project won a housing design award in 2004, with the judges describing it as follows: "A crisp white wedge of five imaginative townhouses... The care and attention which has gone into the planning of this little block is reflected in the quality of finishes and detailing. The amount of storage space alone would put most other commercial developers to shame, and the design of the bathrooms and kitchen areas is faultless."

THE MODERN HOUSE

About

The Modern House is an estate agency that helps people live in more thoughtful and beautiful ways. We believe in design as a powerful force for good. Inspired by the principles of modernism, we represent design-led homes across the UK which celebrate light, space and a truth to materials. Esquire credits The Modern House with “rewriting the rulebook on estate agency” and GQ voted us “one of the best things in the world”.
