The Hall

A rare opportunity to purchase a two-bedroom Span apartment with extended living space, located on the sought-after Cator Estate in Blackheath. The apartment block was designed by the renowned architect Eric Lyons and built by the company Span in the early 1960s. The apartment can be found on The Hall, a quiet and secluded location, and is set in immaculately maintained gardens. It has access to a south facing communal lawned garden with mature trees and shrubs. A garage is available by separate negotiation.

The apartment features an open-plan living room and dining area (or study) with large picture windows. Much work has been done by the current owner to present the property in outstanding condition. The Poggenpohl kitchen has been updated and restored, a new boiler has been fitted and the bathroom has been upgraded.

The Hall

Eric Lyons's Span developments are renowned for their space and light. He paid great attention to the surrounding landscape, designing and building houses around existing splendid, mature trees and creating communal areas that encourage residents to mix. Indeed, Graham Morrison of Allies & Morrison Architects, who bought a Span house in Blackheath in the early 1980s, describes the joy of living on the Cator Estate: "I find it hard to imagine a more pleasant and safe place, so close to the city, in which to bring up young children. A shared garden made the making of friends easy and a sensible management structure helped to ensure the maintenance of not only the buildings and gardens, but also the aims of the community."

The house is very close to Brooklands Primary School, which is one of the best primary schools in the Borough of Greenwich and is described as 'outstanding' by OFSTED. Places are awarded according to your home's proximity to the school. The property is approximately seven minutes' walk from Blackheath mainline railway station, which is one stop from the Docklands Light Railway, with easy access to both the Docklands and City. Trains from Blackheath to London Bridge take approximately 10 minutes, and approximately 25 minutes to Victoria. Blackheath offers a good selection of restaurants, shops and services as well as the large green space of the heath.
